Family Day Out Eureka Children's Museum Sunday 11 March 2018

**Numbers are limited so book early to
avoid disappointment**

In this museum nothing is trapped inside a glass cabinet!

It is the only fully interactive museum totally dedicated to children aged 0-11 anywhere in the UK.

There are six unique zones to discover, each filled with hundreds of interactive exhibits designed to inspire enquiring minds to find out about themselves and the world around them.

The talented team of Enablers are on hand throughout the museum to help you get the most out of your visit. Don't miss the wonder of digiPlaySpace – a totally interactive digital art, gaming and technology experience.

Use digital animation to make a dance video, build your own robot and make it move

Test your coordination skills to control your own beam of light
