NEZRAnews - April 2015

NEZRAlot

This concerns our Members Only Lottery.

Over the last few draws we have unfortunately had to reduce the amount of prizes available due in the most part to members retiring or leaving BT.

Virtually since the inception of the draw the first prize (and sometimes the second) has been a car.

In light of the diminished revenue the Management Committee are now considering whether this is still viable.

The alternatives being either to continue as at present or replace the first prize with a cash amount, with possible amendments to other amounts allowing more prizes to be offered.

Since the draw is a benefit to members it is only proper that you have a say in this matter, which is why we would like you to call the Office with your preference , leaving a message of either yes or no' to the following question.

I prefer to keep the First Prize as a Car?
